

# SHANTANU JAIGUDE

Computer Engineer

9529169677

shantanujaigude19@gmail.com

## SKILLS

### Programming Languages:

- C/C++, Java, Python.

### Frameworks & Libraries:

- HTML, CSS, JavaScript.
- SQL, MySQL

### Tools :

- VScode, Eclipse.

## SUMMARY

Actively Computer Engineering student in 6th semester, having practical experience in academic projects, including web development, database management, and machine learning. Passionate about problem-solving and learning emerging technologies. Happy to find an internship that would enable me to put my technical skills to good use, and to develop professionally.

## PROJECTS
